

United States of America
Department of Transportation — Federal Aviation Administration
Supplemental Type Certificate

Number SA2770NM

This certificate, issued to SkyWorld Airlines, Inc.
2121 Valentia Street
Denver, Colorado 80220

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 4b of the Civil Air Regulations.

Original Product — Type Certificate Number: 4A26

Make: Boeing

Model: 707-300B and -300C (Series)

Description of Type Design Change:
Modification of a triple to a double seat and installation of this seat in accordance with SkyWorld Airlines Drawing SAI-25-001, Revision 2, FAA approved 12/10/86 or later FAA approved revision.

Limitations and Conditions:
This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined that the interrelationship between this change and any other previously approved modification will introduce no adverse effect upon the airworthiness of the aircraft.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: November 26, 1986

Date reissued:

Date of issuance: January 14, 1987 ✓

Date amended:
